CEREMONY MARKS PROJECT COMPLETION

Historic regeneration works at Bradford Cathedral are celebrated

BRADFORD CATHEDRAL PROJECT SUCCESS

It's not every day that the work you undertake is not only opened by dignitaries, but also blessed.

This happened to Blakedown Landscapes this week at Bradford Cathedral following successful completion of a contract to build a new access route into the Cathedral to finally make the building accessible to all after almost 600 years. [Read more](#)

BLAKEDOWN ON SITE AT WELLINGTON PLACE IN LEEDS

Blakedown Landscapes Operations is on site in Leeds to construct the public realm space at 5 Wellington Place after securing the external works package.

Wates Construction appointed Blakedown to undertake the groundworks, hard landscaping and drainage works at the major development which forms part of the new business district. [Read more](#)

WORKS COMPLETED AT GREYSTONES PRIMARY SCHOOL

The team has now finished works at Greystone Primary School in Sheffield, to transform area adjoining the new extension, into a space that can be used for arts and sport.

Balfour Beatty appointed Blakedown to undertake the hard and soft landscaping scheme and construct a multi-use games area. [Read more](#)

LINEAR PARK REGENERATION UNDERWAY

Bradford Metropolitan District Council has appointed Blakedown to create a linear park as part of the Chain Street regeneration scheme.

The urban project has seen the development of family-sized houses on the site of outdated blocks of flats. Once completed, the linear park will provide an eye-catching space for residential use. [Read more](#)

OUR CLIENTS
